## FAQs

### How old must I be to volunteer?

Volunteers must be at least 18 years old, unless serving with a group. Group members must be at least 16 years old, unless special permission is given in writing by the volunteer coordinator. Parents or guardians must grant permission and sign a release of liability for any volunteers under the age of 18. A proper adult chaperone to youth volunteer will be required. Absolutely no children under 12 will be considered for group volunteering.

### Does volunteer service have to be scheduled in advance?

We appreciate your desire to serve immediately! However, for security purposes, all volunteers must be scheduled and accounted for at all times. Due to the many ongoing projects that take place daily and to ensure an enjoyable day for both the organization and volunteers, we need time in advance to plan and prepare a project.

### How far in advance to I need to schedule a serve day?

At least 4 weeks prior to the work day taking place is helpful to us. Groups with 25+ volunteers may need additional planning time. This gives us time to schedule the project, line up supplies, coordinate project leaders, and take care of all necessary paperwork.

### Why hasn't my request been accepted yet?

We are just as excited to have you serve at Hope Center Indy as you are! However, since our organization is comprised of a team of volunteers, there may be a small delay in response. Once you have made the connection, there are approval processes that must take place. Please bear with us while we work as quickly as possible.
